

Meeting Leadership Training

The Meeting Leadership Solution 10-Step System will help leaders and their leadership team gain the skills and confidence they need to run highly effective meetings.

In addition, they will also learn:

- How to calculate the actual cost of a meeting
- How to become an outstanding facilitator
- How to build an effective agenda
- How to fight...so you can really get along
- How to connect every meeting to your strategy
- How to follow up FAST and be more accountable
- How to get inspired and take action!

By learning and implementing the proven 10-Step system in the Meeting Leadership Solution, they'll be able to improve productivity and lead in their industry.
